

Friedly WOLI

Terms: Toulouse science university Paul Sabatier, 118 Rte de Narbonne, 31400 Toulouse
Tel: +33 767339290, Email: friedlysedjo@gmail.com, Born: 21 October 2005

Seeking Apprenticeship in Simulation and Numerical Analysis

Education & Qualifications

- | | | |
|--|--|------------------------------------|
| 2025 | <i>Third year in Energy Mechanics</i> | Toulouse Science University |
| <ul style="list-style-type: none">• Courses: Solid dynamics, continuum mechanics, material mechanics, fluid mechanics, heat transfer, python programming, numerical analysis• Developed a Python project to simulate object behavior, strengthening understanding and application of object-oriented programming principles (OOP) | | |
| 2024 | <i>First year of engineering cycle</i> | INSA Toulouse |
| <ul style="list-style-type: none">• Robot design for Eurobot 2025 competition.• Courses: Mechanical design, industrial metrology, control systems, machining (turning, milling), business game. | | |
| 2022 | <i>Engineering preparatory program</i> | Lorraine University |
| <ul style="list-style-type: none">• Courses: Algebra, Probability, Analysis, C++, Astronomy, Electromagnetism, Optics, Geometry. | | |

Work Experience & Associations

- | | | |
|---|------------------------------------|---------------------------------------|
| 2025 | <i>Powertrain division</i> | TLS e racing, SUPAERO |
| <ul style="list-style-type: none">• Electric vehicle design project.• Coding the overall vehicle operation using Matlab and Simulink.• Simulated the battery container in Ansys to evaluate structural performance and safety.• Project presentation at Silverstone in July 2025 in front of international juries as group spokesperson. | | |
| 2023 | <i>Tutoring (math and physics)</i> | Vandœuvre-lès-Nancy, Town Hall |
| <ul style="list-style-type: none">• Helped students with their homework and exam preparation.• Explained course content and clarified difficult concepts.• Supported students in developing study methods and autonomy. | | |
| <i>Development of personal website</i> | | Personal Web Project |
| <ul style="list-style-type: none">• Developed an interactive website for solving mathematical problems using HTML, CSS and JavaScript programming languages. | | |

Technical Skills

Software: Abaqus, Ansys, 3D experience, Creo, Matlab, Simulink, Python, Microsoft Office.
LinkedIn: [linkedin.com/in/friedly-w](https://www.linkedin.com/in/friedly-w)
GitHub website link: <https://github.com/Friedsed>

Interests & Activities

Sport: Running, Basketball.
Travel: Germany, Spain, England.

Other Skills

French: Native language.
English: B2 level.
